Overview: In the center of Fuengirola, right next to Plaza de España, you will find this recently renovated top floor corner apartment facing south and west. The apartment has two bedrooms and two bathrooms (one of them en-suite) and an open plan kitchen with the dining/ living area. The kitchen is fully equipped with dishwasher, oven, microwave oven, stove, extractor, fridge/freezer. Both bedrooms have 1,5 metres of wardrobes and in addition to that there is a space next to the entrance, which you can use as a walk-in-closet or a storage room. The terrace (which has glass curtains) is facing south so you'll have sun all day long. The apartment has a/c hot/cold in all rooms and is sold fully furnished as you can see in the pictures. One of the bedrooms has a double bed of 160x200 cm and the other bedroom is a guest room with a proper sofa bed. The building has an elevator, but there are few stairs to walk. All the amenities of Fuengirola are practically at your doorstep: restaurants, shops, Biopark, the town hall, etc.. . and only few minutes walking (500 m) from the lovely sandy beach of Fuengirola. The train station is 750 metres away and the train takes you directly to Malaga city center and to the airport. Price does not include taxes and other costs which are approximately 10 % for the buyer on top of the sale price.
