Overview: This luxury 3 bedroom ground floor corner apartment with private garden and pool is situated in one of the best locations in Oasis Cala de Mijas, in an elevated position which affords sea views and security. The covered part of the terrace is partly enclosed with glass curtains creating a comfortable second lounge and dining area. The kitchen was recently installed to the highest standards. The lounge, master bedroom and a second bedroom all have wall to wall sliding doors opening out towards the terrace. All three bedrooms are double bedrooms with built in wardrobes. The master bedroom has a walkin' wardrobe and bathroom en-suite. The second as well as the en-suite bathroom have plenty of space. The terrace with barbecue and sun loungers and the private pool of this lovely apartment provide all the benefits of a villa but has the security and benefits of being part of a community with the services of a full-time maintenance man, night concierge, gardeners and cleaning ladies providing easy access to assistance and vigilance. The apartment has a spacious parking space and storeroom in the basement of the building, accessible via staircase or elevator. The community is a closed and secure urbanisation with security cameras and is well organised and maintained. The low density construction of Oasis allows for extensive gardens with lovely walkways and two community pools.
