This amazing house has it all, including a fabulous driveway leading to 5 individual garages, a guest house, an indoor pool & Spa and a fabulous games/cinema room. The property has undergone a recent renovation, installing new machinery (including A/C) and interior decoration. The main house consists 8 bedrooms, all en-suite (5 on the top floor, 2 main floor and 1 in the basement level.) The main floor has the spacious living room, the cosy TV room, a dining area and the large, modern kitchen, with brand new appliances and access to the outdoor dining and BBQ area. The top floor has 5 en-suite bedrooms, including the grand master bedroom, with its own balcony where you can enjoy the beautiful sea views. The basement level has the indoor pool & Spa, which lead out the main outdoor pool. The games room is tastefully decorated and is fully fitted with a Cinema projector, pool table and bar area. The lush, mature gardens are immaculately maintained and the main infinity pool has a built-in gazebo with a pool bar area. This exclusive home is perfect for either full time living or the dream holiday home in the sun. LA ZAGALETA La Zagaleta, arguably the most exclusive address in Europe, is a private, gated urbanisation with 24-hour security, set in the Benahavis hills, near Marbella. This unique community comes complete with its own private, 2-course Golf & Country Club, equestrian centre and helipad. The large plots where the villas are set on create an ambience of complete tranquillity, surrounded by breath-taking nature and amazing views. La Zagaleta is the very best that Marbella has to offer.
