Overview: Exceptional panoramic views over the Mediterranean Sea all the way to Africa and Gibraltar is what makes this appartement a dream to enjoy the Spanish sun and good life. There is no better place than to enjoy a nice glass of wine, relax and enjoy the views over the pool and the sea. The covered part of the terrace is equipped with patio heaters and sound system. The entire appartement has been renovated up to the highest standards and decorated in a very trendy Ibiza Style. From the terrace you step into the spacious living room with marble flooring and fire place, to the open plan kitchen that has been entirely renovated with Smeg appliances. Behind the kitchen is a very large pantry. From the 3 large bedrooms there is one big enough to fit 3 beds, what makes it a comfortable appartement sleeping 7. Both of the bathrooms have double washbasins and shower. Part of the renovation was also full home automation, domotic system, security camera, remote access control, alarm etc. Underground parking and storage room are also included. The location on the highest point of the prestigious Los Arqueros Golf Resort is ideally for those looking for a relaxing holiday but the beaches and shops of Marbella and Puerto Banus are only a short drive. But also the charming Andalusian village of Benahavis, with its renowned gastronomical restaurants is very close by.
