Overview: New to the market this large and very sunny two bedroom two bathroom top floor apartment would make a great holiday rental investment property. The apartment is only steps away from the commercial center of Benavista (lower El Paraiso) which provides many restaurants, shops, and bar options. Here you can find public transportation such as taxis and buses so it's perfect for those who don't want to rent a car and the beach is only a ten minute walk away. Next door to the development you will find a brand new tennis centre and within a ten minute drive there are nine 18 hole golf courses! San Pedro and Estepona towns are only a few minutes drive away and even the famous Puerto Banus and areas of Marbella are less than 12 minutes drive. With some updating the property could be a lovely vacation home or an excellent holiday rental as it's so close to so many amenities and the beach. The owner is open to offers so don't miss this opportunity to purchase one of the most affordable apartments in the area.
