Overview: Casasola is a two-story villa with four en suite bedrooms, located close to Guadalmina Golf and within walking distance to the beach. A beautiful family home in close proximity to all amenities. This open-plan concept villa was constructed using the highest quality materials, providing a luxurious feel. On the ground floor, there are two lounge areas and an open-plan designer kitchen including a utility and dining area. The open-plan concept gives direct access to the large covered terrace and the 14 sqm Balinese-styled swimming pool. To complement the pool, we have added a uniquely sized barbecue and entertainment area. In addition, the ground floor features an ensuite bedroom, guest toilet and garage. On the second floor, there are three additional bedrooms with en suite bathrooms. Two of the bedrooms, including the master, have spacious private terraces with beautiful views of the scenery and the surrounding areas, such as the Guadalmina River and golf course.
