Overview: Duplex penthouse recently totally refurbished in a modern style and with the latest advances in led lights and installations, floors and marbles of first quality, with southwest orientation and fantastic sea views, in the heart of the Golden Mile just a few minutes from Puente Romano and the mosque. Spacious and very bright apartment with two floors, 154m2 built and 37m2 of terraces. On the first floor you will find the stylish, elegant and modern living room and the open kitchen with an island and fully equipped with Gaggenau appliances of the latest model, with a cellar closet and also a toilet to service this floor. You also have access from here to a beautiful terrace with panoramic views of the sea and mountains and due to its orientation, you will enjoy some amazing sunsets. On the second floor there is a large master bedroom, with central fireplace, dressing room and modern ensuite bathroom incorporated with a large walk-in shower, with direct access to a private terrace with the same amazing sea views as the terrace on the lower floor. There is a second, very spacious guest bedroom with full ensuite bathroom, large fitted wardrobes and another private terrace with incredible views of La Concha and the swimming pool. There is also a third and large room that can be used as an office or as another bedroom as it has a large sofa bed and a full bathroom ensuite, plus a small private terrace with views of La Concha. Installed alarm and materials of the highest quality complete this luxurious penthouse ideally located in the golden mile of Marbella, very close to the mosque, in a gated community, with doorman and with well-kept communal gardens and swimming pool it also has a parking space in the communal garage and a storage room included in the price.
