Overview:Privileged location just 200 m2 from the Paseo Marítimo, and the Renfe Cercanías train station. It is a perfect option as a habitual residence or as a second residence. Also an excellent opportunity to invest. Immaculate home. It is a first floor by elevator, in a small building with one neighbor per floor and only three neighbors in total. The entire house is oriented towards the outside and to the east, enjoying the morning sun and beautiful views of the town. Very bright and cheerful. There is access to a distributor hall, to the right the kitchen open to the living room, and to the left the two bedrooms with the toilet with shower, and the complete bathroom en suite with bathtub. Both the living room and the two bedrooms have windows and access to their small and picturesque balconies. The enclosures are double glazed climalit, with their shutters. The doors and everything in general very careful, it is a house with 20 years of construction and a very careful use. It was never rented. There is air conditioning equipment in the living room and master bedroom, and low-consumption electric heaters in each room. The property is in impeccable condition, ready to move into. It is sold fully furnished and equipped just like the photos. The furnishings are of quality, and were purchased to enjoy a comfortable stay on the coast. One of the sofas is a sofa-bed, and offers a latex mattress inside. Community: €70 Find more at tuhome.es
