September 2025

Overview: Large plot with building licence and project in place .You can build your dream villa with a build size of approximately 290m2 over two levels. The project that comes with the plot is a mirror image of the neighbouring villa with the option of a pool in place of the swimspa. Located in La Cala Golf, in an up and coming area with similar luxurious villas near to the golf academy. Enjoying magnificent views of the mountains, countryside and surrounding golf courses. Just a five minutes drive to La Cala Golf club house ,restaurant, hotel and spa and three championship golf courses. La Cala de Mijas and it's beautiful beaches and many amenities is less than a 15 minutes drive. There is the option to have the house built for you. The images shown here are from the neighbouring villa and reflect the project that is on offer.

Features:

None, Pool, Mountain views, Investment
