Overview: A stunning beachfront apartment with a fantastic terrace looking right out to the sea and right across to Gibraltar and North Africa. A fabulous 2 bed, 2 bath apartment in a luxury beachfront urbanisation. The apartment is built to top quality specifications with marble floors, fully fitted kitchen with Bosch appliances, large built-in wardrobes, and hot and cold air-conditioning. Both bedrooms are ensuite and the main bedroom has spectacular sea view and direct access to the main terrace. The apartment comes with a private parking space in the underground parking and a storeroom. This gated urbanisation has beautifully manicured gardens and a large communal pool. Walk out of your home and straight onto a stunning beach. This is a third-floor apartment but you enter a street level so there are no stairs to get in so it is easily accessible. It is elevated though so you have incredible sea views. The location of this urbanisation is incredible - only 10 minutes drive from Estepona centre and 2 minute drive from Casares Costa and Sabinillas. Puerto de la Duquesa with its bars, restaurants and cafés is also just a few minutes away. This is a very special property - if you are looking for open sea views, lots of outdoor space, privacy and the ability to walk straight on to the beach, this is the property for you. Come view with me!
