Overview: Fantastic townhouse in the residential area of Estepona. In the centre of Estepona, we find this spacious house of 140m². The property is distributed over three floors: On the ground floor, we find a living-dining room, a kitchen with a patio-laundry room, a bedroom and an en suite bathroom. We have 3 bedrooms, a bathroom and a smaller kitchen on the first floor. On the second floor, there is a small room and a solarium/terrace of 43m². The property has a lot of potential and can be transformed into a large house or two individual apartments with a good renovation. The location is fantastic as it is just a few minute's walk from all amenities and the beach. A great opportunity to have a large house in a quiet centric area and close to all services.
