Описание:Commercial premises located in Puerto Banus marina with 119 enclaves for boats of more than 50 meters in length, recognized as one of the most luxurious and prestigious ports in the World. Commercial premises located in the centre of Puerto Banus, in the well-known development of Muelle Ribera, located in one of the entrances of the port on the corner with different passages, and public parking. These premises offer the opportunity to expand the space by purchasing the one available next door just now.
